Schools don't struggle because of poor staff. They struggle because of poor systems. Most schools work hard but still face delays, errors, and communication gaps because their systems are scattered or outdated. TechOven fixes the root problem. TechOven removes manual workload, eliminates fee leakage, improves transparency, and keeps every department aligned and accountable.

Maths 4 batch(es)	Class - VIII Section B	140	113	26	80.71%	51.34%	Aarakshya Sahu	Tarun Bhaskar
	Class - VIII Section C						30/30 (100%)	0/30 (0%)
	Class - IX Section A
